Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

Sec. 1 creates a new section to provide definitions of "cosmetic, " "cosmetic animal testing," and other terms.

Sec. 2 creates a new section. Beginning January 1, 2025, it is unlawful for a manufacturer to sell or offer for sale in this state a cosmetic if the cosmetic was developed or manufactured using cosmetic animal testing that was conducted or contracted for by the manufacturer or any supplier of the manufacturer.

Sec. 5 creates a new section. No county or political subdivision of the state may establish or continue any prohibition on or relating to cosmetic animal testing that is not identical to the prohibitions set forth in this chapter.

Sec. 6 creates a new section. A manufacturer that sells or offers for sale a cosmetic in violation of this chapter commits a civil violation punishable by a fine of not more than \$5,000 for each violation.

This act takes effect January 1, 2025.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The legislation would have no expenditure impacts on local governments. The penalties established by the bill are civil and therefore would not involve city or county prosecutors, court-appointed defense attorneys, or law enforcement.

Section 5 directs that no county or political subdivision may establish or continue any prohibition on or relating to cosmetic animal testing that is not identical to the prohibitions set forth in this chapter. There are no current prohibitions in city or county municipal codes about cosmetic animal testing, according to a search conducted through the Municipal Research and Services Center website.

Please note that court impacts, including judicial costs, clerk costs, and court fees are described in fiscal notes prepared by the Administrative Office of the Courts. Local government fiscal notes include city and county expenditures for law enforcement investigations and arrests, indigent defenders, prosecutors, and jail costs.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The legislation would have no revenue impacts for local governments.
