Part II: Narrative Explanation

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Engrossed Substitute HB 2256 amends RCW 74.09.4951 and 2022 c 76 s 1.

Per Section 1(2) The cochairs may request the governor appoint additional members of the work group representing specific professions, organizations, or communities. The Governor's Office may consult with the cochairs as needed on these discretionary appointments. The terms for work group members appointed after the effective date may not exceed three years. Work group members appointed before the effective date may remain in their positions until January 1, 2027, but their terms may not go beyond that date.

Section 11 updates the expiration date to December 30, 2029.

The Governor's Office believes appointing these positions will have a minimal, if any, fiscal impact.
