FNS060 Local Government Fiscal Note

# Part IV: Analysis A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

This fiscal note analyzes the local government impact of SSB 6154, comparing it to the impact of SB 6154.

#### CHANGES BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

The proposed substitute bill would make various changes to section 4, adding further descriptions of the existing requirements regarding the circumstances under which a nonresident or resident appoints the Washington Secretary of State as their true and lawful attorney for the purposes of summons or process service related to an accident, collision or liability on public highways. The changes in this section would also add further descriptions of the requirements for such summons or process service.

These changes would not affect the local government expenditure or revenue impacts below.

#### SUMMARY OF CURRENT BILL:

Section 1 of the proposed legislation would amend RCW 4.28.080, replacing the existing process service requirements of RCW 4.28.080 (8) through (10) with the requirement that if against a represented entity as defined by RCW 23.95.400, service of process, notice, or demand required or permitted by law to be served on the corporation may be made in accordance with RCW 23.95.450.

Section 2 would repeal RCW 4.28.090, Laws of 1985, Chapter 469, Section 1, and Laws of 1893, Chapter 127, Section 8.

Section 3 would amend RCW 4.28.100, specifying that RCW 4.28.100 (1) applies when a defendant is a nonregistered foreign entity as defined by RCW 23.95.105, and has property within the state.

Section 4 would amend RCW 46.64.040, making various technical amendments intended to clarify the existing requirements of this section, which concern the circumstances under which a nonresident or resident appoints the Washington Secretary of State as their true and lawful attorney for the purposes of summons or process service related to an accident, collision or liability on public highways, and the procedure for making such service.

The amendments in this section would also add language accounting for plaintiffs representing themselves in actions under this section, and would specify that the Secretary of State would be required to send service to a defendant within eight business days of receiving copies of such service from a plaintiff per the requirements of RCW 46.64.040.

#### **B. SUMMARY OF EXPENDITURE IMPACTS**

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The proposed legislation would have no impact on local government expenditures.

The provisions of the bill concern civil process service, bringing certain requirements of chapter 4.28 RCW in line with existing requirements of the Uniform Business Organization Code, clarifying existing civil process service procedures involving nonresident motorists and introducing a time requirement for the Office of the Secretary of State to send copies of process service per the requirements of RCW 46.64.040. These changes would not affect the existing expenditures of local government entities.

#### C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The proposed legislation would have no impact on local government revenues.
