### **Part II: Narrative Explanation**

#### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Changes included in the engrossed substitute version do not affect the Office of the Governor and therefore do not impact assumptions from the previous version.

SB 6291 changes the following regarding the Governor's appointments to the state building code council:

- Section 4(f) states that each of the 15 council members appointed by the governor shall hold office until the appointment of a successor, not to exceed 11 days after the term has expired. If no appointment is made to replace the member after 90 days, the member's position shall become vacant.

The changes regarding the appointment of members can be done within existing resources and therefore there is no fiscal impact.
