Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This engrossed substitute bill retains the same Administrative Office of the Courts and court impacts as the original bill and substitute bill but adds no more. It creates Section 303 directing the Department of Commerce to contract with an independent third party to conduct a social vulnerability assessment. This assessment is due by December 1, 2026. This section expires on July 1, 2027.

Section 101 (1) (b)

This section raises the cap on the amount by which landlords can raise rents in any given 12-month period from 5 to 7%.

Section 101 (3)

This section removes term permitting tenants to break their lease upon receipt of notice of the landlord's intent to raise the rate by 3% or more within a 12-month period, but allows them to do so if the increase exceeds amount allowed by bill unless the landlord qualifies for exemption.

Section 102 (1) (b)

This section modifies the rent increase cap exemption (RICE) for certain public/non-profit properties to require they be owned instead of just operated by involved entity.

Section 102 (1) (c)-(e)

This section adds RICE for certain living situations where the owner is also a resident of the property.

Section 103 (2) and Section 107 (3)

These sections exempt the annual rent increase notice and limit on deposits for certain subsidized properties/tenancies.

Section 108 (2)

This section changes the late fee cap from \$10 to 1.5% of the total monthly rent.

Section 302

This section adds a null and void clause if the bill is not funded by June 30, 2024.

II. B - Cash Receipts Impact

None

II. C - Expenditures

AOC Fiscal Impact

Updates to the Courts of Limited Jurisdiction Civil Procedure Bench Book and the court manual are required to incorporate the changes under this bill. These changes are expected to take a SR Legal Analyst 30-40 hours.

IMPACT ON COUNTIES (Superior and/or District Courts)

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill is related to improving housing stability for tenants subject to the Residential Landlord Tenant Act and the Manufactured/Mobile Home Landlord-tenant Act by limiting rent and fee increases, requiring notice of rent and fee increases, limiting fees and deposits, establishing a landlord resource center and associated services, authorizing tenant lease termination, creating parity between lease types, and providing for attorney general enforcement.

Part 1. Sec. 101 -- Landlords may only increase rents and fees by 7% during a 12-month period and may not increase rents or fees during the first 12 months of a tenancy regardless of their lease length, with some exemptions. This applies to tenants subject to the Residential Landlord-Tenant Act and the Manufactured/Mobile Home Landlord-Tenant Act.

Various landlord responsibilities and tenant protections are described, including noticing requirements, tenant lease terminations, limits on fees and deposits, and parity between month-to-month and long-term leases. Remedies for non-compliance available to tenants are described.

Part 1. Sec. 102 -- Provides specific exemptions to the 7% limit on rent increases for units less than ten years old and units owned by public housing authorities, public development authorities, non-profit organizations, and some owner-occupied rentals.

Part 1. Sec. 103 -- Details requirements for notices provided to tenants.

Part 1. Sec. 104 -- Provides enforcement mechanisms, including under the Consumer Protection Act by the Attorney General.

Part 1. Sec 105 -- Requires Commerce to create an online landlord resource center with information about available landlord mitigation programs and model lease documents created by the attorney general's office.

Part 1. Sec 106 -- Amends current law regarding tenant notices of rent increases to a minimum of 180 days for increases (rent and fees combined) of 3% or more.

Part 1. Sec 107 -- Limits move-in fees and security deposits to no more than one month's rent.

Part 1. Sec 108 -- Limits late fees to 1.5% of the tenant's monthly rent.

Part 2. Sec 201 through Sec 208 -- Same as Part 1 above, but for the Manufactured/Mobile Home Landlord-Tenant Act.

Part 3. Sec 301 -- Act goes into effect immediately.

Part 3. Sec 302 -- Null and void clause.

Part 3. Sec 303 -- Commerce must contract with an independent contractor to study the social vulnerability impacts of this act, mainly focusing on impacts on "immutable characteristic communities," rural communities, new or transitioning renters, and alternative rental markets. The study is due to the legislature no later than December 1, 2026. This is a complex study to scope and would likely be based on deliverables vs. consultant hours. Commerce identified a recent consultant contract with somewhat comparable scope and timeframe; this was a deliverables contract for \$250,000 - \$300,000.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part 1. Sec 105 -- Commerce creates an online landlord resource center with information about available landlord mitigation programs and model lease documents created by the attorney general's office.

This work can be completed with current resources; no additional fiscal impacts are anticipated.

Part 3. Sec 303 -- Commerce must contract for a study on the social vulnerability impacts of this act.

The Department is unsure whether the timeline for the study due date will allow for meaningful data analysis to determine the impacts of this act. Variables include deliverables in the study and required consultant hours. For illustrative purposes, the Department identified a recent consultant contract with a comparable scope and timeframe, a deliverables contract for \$250,000 - \$300,000. However, the exact cost is indeterminate.
