## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The engrossed substitute bill would have the same impact as the original.

It would make it a Class C felony for a person who knowingly enters or remains unlawfully in a public school bus or does an intentional act that disrupts the normal operation of a school bus.

### II. B - Cash Receipts Impact

None

### II. C - Expenditures

There would be no or minimal impact to the Administrative Office of the Courts or the courts. It is not possible to estimate the possible number of new cases, but we expect any impact to be low.

## Part III: Expenditure Detail

### III. A - Expenditure By Object or Purpose (State)

NONE

### III. B - Expenditure By Object or Purpose (County)

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

See attached.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

None.

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

See attached.

## Part III: Expenditure Detail

### III. A - Operating Budget Expenditures

NONE

### III. B - Expenditures by Object Or Purpose

NONE

**III. C - Operating FTE Detail:** *FTEs listed by classification and corresponding annual compensation. Totals agree with total FTEs in Part I and Part IIIA.*

NONE

### III. D - Expenditures By Program (optional)

NONE

## Part IV: Capital Budget Impact

### IV. A - Capital Budget Expenditures

NONE

### IV. B - Expenditures by Object Or Purpose

NONE

### IV. C - Capital Budget Breakout

*Acquisition and construction costs not reflected elsewhere on the fiscal note and description of potential financing methods.*

NONE

**IV. D - Capital FTE Detail:** *FTEs listed by classification and corresponding annual compensation. Totals agree with total FTEs in Part IVB.*

NONE

**Part V: New Rule Making Required**

*Provisions of the bill that require the agency to adopt new administrative rules or repeal/revise existing rules.*

# **ESSB 5891**

## **SCHOOL BUS TRESPASS**

### **101 – Caseload Forecast Council**

### **February 14, 2024**

#### **SUMMARY**

##### **A brief description of what the measure does that has fiscal impact.**

Section 1 States the act may be known and cited as the Richard Lenhart act.

Section 2 A new section is added to chapter 9A.52 RCW establishing a new Class C felony offense of School Bus Trespass.

Section 3 Amends RCW 9.94A.515 by ranking the newly established Class C felony of School Bus Trespass at Seriousness Level 3 on the adult felony sentencing grid.

Section 4 States if any provision of the act is held invalid, the remainder of the act is not affected.

#### **EXPENDITURES**

##### **Assumptions.**

None.

##### **Impact on the Caseload Forecast Council.**

None.

##### **Impact Summary**

This bill:

- Establishes a Class C felony offense ranked at Seriousness Level 3 on the adult felony sentencing grid.

The Class C felony offense of School Bus Trespass established by the bill is not currently a felony under Washington State law. As such, the Caseload Forecast Council (CFC) has no information about the expected incidence or the sentences that might actually be imposed. Therefore, the CFC cannot reliably predict correctional bed impacts resulting from the bill.

##### **Impacts on prison and jail beds.**

However, as a Class C felony offense ranked at Seriousness Level 3 on the adult felony sentencing grid, School Bus Trespass would be punishable by a standard range term of confinement of between 1-3 months in jail and 51-60 months in prison (limited to 60 months by the statutory maximum sentence for Class C felony), depending on the individual's prior history. As such, any impact should manifest itself as an increased need for jail beds and an increased need for prison beds.

**Impacts on local detention and Juvenile Rehabilitation beds.**

The newly established Class C felony offense would be considered a Category C (Other Offense Equivalent to an Adult Class C Felony) on the Juvenile Sentencing Grid. The offense would be punishable by a standard range term of between Local Sanctions (0-30 days in local juvenile detention) and 15-36 weeks in Juvenile Rehabilitation (depending on the number of prior adjudications) for juveniles adjudicated for the offense. Therefore, incidences of this offense would likely impact both local juvenile detention and Juvenile Rehabilitation beds.

In addition, there may also be an increased need for Juvenile Rehabilitation (JR) beds. Current statutes require individuals sentenced in adult court for an offense committed before the age of 18 to serve to their confinement at a JR facility until age 25, or until release if occurring prior to age 25. As less than 1% of all sentences in the adult system are committed by those less than age 18, it assumed any impacts to JR would be minimal.

**Impacts on DOC Supervision Population.**

None.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill has no fiscal impact on the Criminal Justice Training Commission.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

This bill has no cash receipt impact.

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

This bill has no expenditure impact.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The Engrossed Substitute Senate Bill (ESSB) 5891 relates to protecting the safety and security of students and maintaining order within school buses by designating trespassing on a school bus as a felony offense.

The following impacts from the original bill remain unchanged in this new bill version:

Section 1 states the act may be known and cited as the Richard Lenhart act.

Section 2 states a new section is added to chapter 9A.52 RCW establishing a new Class C felony offense of School Bus Trespass.

Section 3 amends RCW 9.94A.515 by ranking the newly established Class C felony of School Bus Trespass at Seriousness Level 3 on the adult felony sentencing grid.

Effective date is assumed 90 days after adjournment of the session in which this bill is passed.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

None.

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The ESSB 5891 does not change the previous assumptions for the Department of Corrections (DOC).

The fiscal impact of this bill is indeterminate, assumed to be less than \$50,000 per Fiscal Year (FY).

This bill establishes a Class C felony offense ranked at Seriousness Level 3 on the adult felony sentencing grid.

The Class C felony offense of School Bus Trespass established by the bill is not currently a felony under Washington State law. As such, the Caseload Forecast Council (CFC) has no information about the expected incidence or the sentences that might be imposed. Therefore, the CFC cannot reliably predict correctional bed impacts resulting from the bill.

Information Technology (IT) Impacts:

Customization of the Offender Management Network Information (OMNI) system is needed to meet the requirements of this legislation. Due to the complexity of completing the development, testing, and implementation of the statutory changes, contracted services are necessary in FY 2025.

To implement this legislation, OMNI data tables need to be updated to RCW 9.94A for technical corrections.

Cost Calculation Estimate:

IT Application Developer| \$185 per hour x 4 hours = \$740

IT Quality Assurance| \$185 per hour x 2 hours = \$370

IT Business Analyst| \$185 per hour x 2 hours = \$370  
 Total One-Time Costs in FY 2025 (rounded): \$1,500.

**Impacts on prison and jail beds:**

However, as a Class C felony offense ranked at Seriousness Level 3 on the adult felony sentencing grid, School Bus Trespass would be punishable by a standard range term of confinement of between 1-3 months in jail and 51-60 months in prison (limited to 60 months by the statutory maximum sentence for Class C felony), depending on the individual’s prior history. As such, any impact should manifest itself as an increased need for jail beds and an increased need for prison beds.

The DOC assumes this bill would likely result in an Average Daily Population (ADP) increase, although the impact cannot be reliably estimated. Therefore, the fiscal impact is indeterminate, assumed to be less than \$50,000 per FY.

**Assumptions:**

- 1) The estimated ADP impact to DOC prison facilities/institutions and/or community supervision/violator caseloads is based on projections from CFC.
- 2) We assume a Direct Variable Cost (DVC) of \$7,630 per incarcerated individual per FY to facilitate cost discussions during legislative session for bills. This cost estimate includes prison and health services' direct variable costs. It does not include staffing or dollars necessary for staffing needed at the facility outside of the living/housing units. The DVC is calculated by DOC and reviewed and approved with the Office of Financial Management, Senate, and House staff each legislative session.
- 3) For illustration purposes only, the average annual Community Supervision caseload model is \$6,101 per ADP (not including startup costs), regardless of the supervised risk level based on the workload model. If ADP impacts are applicable to this fiscal note, the calculated rate per community supervision ADP includes direct supervision and ancillary units, such as Hearings, Records, and Training, that are directly affected by supervision population changes. The estimate will vary based on the risk level of the supervised individuals, which requires different staffing levels. The population trend data used is based on the Risk Level Classification tool and provides a risk level of 42.8% high violent, 27.3% high non-violent, 21% moderate, 7.9% low, and 1.0% unclassified. (June – November 2017)
- 4) The DOC assumes that any increase in community supervision caseload will result in an increased need for violator beds. For illustration, the FY2023 average percentage of supervised individuals who served jail time and were billed by the local jurisdictions for violating their conditions of supervision was a rate of 2.0%. The current average daily cost for jail beds is \$114.43 per day, inclusive of all risk levels and healthcare costs. The rate is an average, and actual rates vary by local correctional facilities.
- 5) We assume additional impacts will result when ADP caseload changes in either prison or community and resources will be necessary. The DOC will “true up” our fiscal impact in subsequent budget submittals should the legislation be enacted into session law.
- 6) We assume a phase-in will be necessary to successfully achieve the reductions/additions needed based on this legislation.

**Part III: Expenditure Detail**

# LOCAL GOVERNMENT FISCAL NOTE

Department of Commerce

**Bill Number:** 5891 E S SB

**Title:** School bus trespass

## Part I: Jurisdiction-Location, type or status of political subdivision defines range of fiscal impacts.

### Legislation Impacts:

- Cities: Costs for law enforcement to investigate instances of new felony crime
- Counties: Same as above, plus costs for prosecutors, court-appointed defense attorneys, and jails
- Special Districts:
- Specific jurisdictions only:
- Variance occurs due to:

## Part II: Estimates

- No fiscal impacts.
- Expenditures represent one-time costs:
- Legislation provides local option:
- Key variables cannot be estimated with certainty at this time: Number of violations of new felony

### Estimated revenue impacts to:

None

### Estimated expenditure impacts to:

**Non-zero but indeterminate cost and/or savings. Please see discussion.**

## Part III: Preparation and Approval

Fiscal Note Analyst: Alice Zillah	Phone: 360-725-5035	Date: 02/15/2024
Leg. Committee Contact: Michelle Rusk	Phone: 360-786-7153	Date: 02/13/2024
Agency Approval: Allan Johnson	Phone: 360-725-5033	Date: 02/15/2024
OFM Review: Gaius Horton	Phone: (360) 819-3112	Date: 02/15/2024

## **Part IV: Analysis**

### **A. SUMMARY OF BILL**

*Description of the bill with an emphasis on how it impacts local government.*

CHANGES BETWEEN THIS VERSION AND PRIOR VERSION OF THE BILL:

The changes made in the engrossed substitute do not change the expenditure impacts discussed below.

SUMMARY OF THE BILL:

Sec. 2 adds a new section to RCW 9A.52. A person is guilty of school bus trespass if he or she knowingly enters or remains unlawfully in a public school bus or does any other intentional act that disrupts the normal operation of the public school bus. School bus trespass is a class C felony. Local law enforcement agencies shall have the authority to enforce the provisions of this act. School districts and educational institutions shall collaborate with local law enforcement to establish protocols and procedures to ensure effective enforcement of this act.

### **B. SUMMARY OF EXPENDITURE IMPACTS**

*Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.*

The legislation would have indeterminate expenditure impacts for law enforcement, prosecutors, court-appointed defense attorneys, and county jails.

According to the Association of Washington Cities Salary and Benefit Survey, the average weighted hourly wage, including benefits, for a county sheriff's deputy is \$72 an hour, and for a police officer, \$71 an hour. The average hourly cost for a prosecuting attorney, including benefits, is approximately \$134 an hour.

The average cost to investigate, prosecute, and defend a comparable felony charge is \$6,839, according to the Local Government Fiscal Note Program criminal justice costs model.

The Caseload Forecast Council (CFC) has no information about the expected incidence or the sentences that might be imposed. However, as a Class C felony offense ranked at Seriousness Level 3 on the adult felony sentencing grid, School Bus Trespass would be punishable by a standard range term of confinement of between one to three months in jail and 51-60 months in prison, depending on the individual's prior history. Any new sentences imposed would result in both an increased need for jail beds and an increased need for prison beds. The newly established offense would be considered a Category C on the Juvenile Sentencing Grid. The offense would be punishable by a standard range term of between Local Sanctions (0-30 days in local juvenile detention) and 15-36 weeks in Juvenile Rehabilitation (depending on the number of prior adjudications) for juveniles adjudicated for the offense. Therefore, incidences of this offense would likely impact both local juvenile detention and Juvenile Rehabilitation beds.

The average weighted costs for a city or county jail bed is \$145/night.

Because the total number of increased investigations and prosecutions cannot be reliably estimated, the cost impacts are indeterminate.

### **C. SUMMARY OF REVENUE IMPACTS**

*Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.*

The legislation would have no revenue impacts for local government.
