Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This bill relates to the material changes to the operations and governance structure of participants in the health care marketplace. It retains the same court impacts but adds no others.

This striker amendment makes multiple changes concerning the scope of Material Change Transactions (MCTs) subject to bill and Attorney Generals' (AG) procedures and timeframes for evaluating such transactions. It allows the AG to seek injunctions to block disapproved MCTs and to take other enforcement actions. It permits the AG MCT determinations to be appealed to the superior court, but allows courts to grant relief only upon a basis for relief recognized in RCW 34.05.570.

II. B - Cash Receipts Impact

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Changes in this version compared to the previous version (ESB 5241).

This version makes definitional and technical changes that don't impact the responsibilities of the Office of the Secretary of State (OSOS).

Summary of this version:

Section 15 of the bill prohibits OSOS from accepting "any forms or documents in connection with any material change transaction if the attorney general...disapproved the material change transaction or the parties...have not agreed to any conditions or modifications imposed by the attorney general..."

Forms and documents pertaining to the "material change transactions" as defined in Section 4(2) of this bill cannot be filed online, do not have standard forms provided by the Office of the Secretary of State and are manually reviewed in-house by OSOS staff. The bill would require a change in the review procedures and checklist used by OSOS staff in reviewing such documents but would not otherwise necessitate any changes to our filing system or forms. No fiscal impact to OSOS.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

There are no costs to OSOS associated with implementing this bill.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

No fiscal impact. This legislation will not measurably increase the appeal workload for the Office of Administrative Hearings (OAH).

II. B - Cash receipts Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill is known as the “Keep Our Care Act”. It relates to review of health care mergers and acquisitions by the Office of the Attorney General (AGO).

They include mergers and acquisitions between hospitals, hospital systems and provider entities, as well as transactions between hospitals, hospital systems, provider organizations and a carrier, an insurance company holding system or any entity that has as its primary function the provision of health care services.

Section 26 of the bill directs the AGO to complete a study on the impact of health care mergers and acquisitions in Washington state between health carriers and health care providers. It is due to the Legislature by January 2026.

The Office of Insurance Commissioner (OIC) may receive inquiries from the AGO with respect to specific mergers or acquisitions involving carriers or insurer holding companies, or with respect to the study directed in section 26. Such inquiries can be handled within existing resources. No fiscal impact to the OIC.
