Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The bill would eliminate the statute of limitations for civil actions based on childhood sexual abuse prospectively, rather than retroactively, by restoring the current statute of limitations for actions based on childhood sexual abuse that occurred before June 6, 2024. It would also eliminate the statute of limitations for actions based on childhood sexual abuse that occurs on or after June 6, 2024 and the statute of limitations for recovery of damages as a result of intentional conduct for childhood sexual abuse is eliminated for events taken place after June 6, 2024

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1 – Amends RCW 4.16.340. Establishes that there is no time limit to bring a claim or cause of action based on intentional conduct brought by a person for recovery of damages for injury suffered as a result of childhood sexual abuse when the act occurs on or after June 6, 2024.

Section 2 – New Section. Renders the act null and void if funding is not provided by June 30, 2024.

Attorney General’s Office (AGO) assumptions:

1. AGO Torts Division (TOR) has reviewed this bill and determined additional costs will be indeterminate given the prospective nature of the change to the statute of limitations. Currently there is not a way to reliably measure or predict what those future cases or impacts will be.

2. AGO Children, Youth and Families Division (CYF) has reviewed this bill and determined it will not increase or decrease the division’s workload. The enactment of this bill will not impact legal services to the Department of Children, Youth and Families (DCYF) because it primarily changes the statute of limitations for certain types of civil lawsuits. It will not require new headquarters advice or representation with new or additional cases. Therefore, no costs are included in this request.

3. AGO Transportation and Public Construction Division (TPC) has reviewed this bill and determined it will not increase or decrease the division’s workload. The enactment of this bill will not impact legal services to the Department of Enterprise Services (DES). Therefore, no costs are included in this request.

4. AGO Social & Health Services Division (SHO) has reviewed this bill and determined it will not increase or decrease the division’s workload. The enactment of this bill will not impact legal services to the Department of Social and Health Services (DSHS) because legal services for claims related to childhood sexual abuse would be handled by the TOR Division. Therefore, no costs are included in this request.

5. AGO Education Division (EDU) has reviewed this bill and determined it will not increase or decrease the division’s workload. The enactment of this bill will not impact legal services to the Office of the Superintendent (OSPI) because legal services for claims related to childhood sexual abuse would be handled by the TOR Division. Therefore, no costs are included in this request.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Subsection 1(1) amends RCW 4.16.340 and 1991 c 212 s 2 to add a cutoff date of June 6, 2024 for which recovery of damages is limited.

Subsection 1(6) is added stating that there shall be no time limit to bring claims or cause of action when the act of childhood abuse occurs after June 6, 2024.

Section 2 is a new section states that if specific funding for the purpose of this act is not provided by June 30,2024, this act is null and void.

Removing the statute of limitations for recovery of damages resulting from childhood sexual abuse after June 6, 2024, will not affect currently existing child sex abuse incidents, tort claims or lawsuits, since this change is prospective only. Any incidents which have not yet occurred, which would cause any new claims/lawsuits, will not occur for many years and are speculative.

This has no fiscal impact to the Department of Enterprise Services.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1 of the bill eliminates the three-year time limit to start an action for recovery of damages for an injury suffered as a result of childhood sexual abuse occurring after June 6, 2024.

Section 2 of the bill states this act is null and void if specific funding is not provided by June 30, 2024.

Department of Social and Health Services (DSHS) has had and will have individuals in their care that are under the age of eighteen. Without the three-year time limit, an individual that is or was in the care of DSHS could at any time allege childhood sexual abuse.

The number of individuals bringing lawsuits forward for recovery of damages is unknown. The costs associated with the individual lawsuits are also unknown. Therefore, the fiscal impact of this bill is indeterminate.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No cash receipts.

II. C - Expenditures

Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

Sec. 1 amends RCW 4.16.340 by eliminating the childhood sexual abuse statute of limitations.

Sec. 1 (1) clarifies that there is no time limit to commence an action based on intentional conduct brought by a person for recovery of damages for injury suffered as a result of nonsexual physical abuse committed concurrently with childhood sexual abuse by the same perpetrator; and sexual abuse that continues into adulthood if the sexual abuse is part of a pattern or a series of childhood sexual abuse by the same perpetrator.

Sec. 2 adds a new section that clarifies this act is remedial in nature and must be broadly construed as a nonexclusive remedy for victims of childhood sexual abuse.

Sec. 3 adds a new section to declare that the elimination of the childhood sexual abuse statute of limitations applies to all claims, causes of actions, and proceedings, regardless of when the claim or cause of action arose.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

Local law enforcement, prosecutors, and public defenders could experience increased costs due to removing the statute of limitations for childhood sexual abuse. However, it is unknown if this will change the number of childhood sexual abuse charges. Therefore, the local government cost impact is indeterminate.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The legislation would not impact local government revenue.
