Title: **First Approach Skills Program**

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill seeks to establish funding for the First Approach Skills Training (FAST) Program

The striker makes the following changes to S HB 1851:

Section 2 parts 2 and 3:

- Replaces references to the University of Washington with the authority.
- Inserts the Seattle Children's Hospital as the hospital to administer programs.

\*\*\*\*\*

Fiscal Impacts from this version of the bill:

Section 1 adds the FAST Program to the list of access lines that the Washington State Health Care Authority (HCA) shall implement.

Section 2 requires the Health Care Authority (HCA) to collect information on mental health referral services for children and teens, the partnership access line, and the FAST program.

Section 3 adds the FAST program to the list of lines that are funded in part through carrier assessments.

### II. B - Cash Receipts Impact

# HCA Fiscal Note

Bill Number: **1852-S AMS HS S5095.1** HCA Request #: 24-173

Title: **First Approach Skills Program**

## No Fiscal Impact

HCA received funding in Section 211 (70) of the 2023-2025 Operating Budget Bill that was passed as part of Chapter 475, Laws of 2023 to support the implementation of the FAST program. The funding provided agrees with the fiscal note provided by HCA during the 2023 Legislative Session for this bill.

This bill adds new data requirements for the FAST program, which is operated by Seattle Children's Hospital. HCA assumes data identified in this bill will be collected by Seattle Children's Hospital and be provided in aggregate to HCA.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The amendment to Substitute House Bill 1851 (1851-S AMS HS S5095.1) makes technical changes to the underlying bill and clarifies data reporting requirements for the University of Washington (UW), the Health Care Authority (HCA), and Seattle Children's Hospital. It does not change the UW's overall analysis of the bill.

The bill and amendment relate to the implementation of a sustainable funding model for the services provided through the First Approach Skills Training (FAST) program. Under Section 2 of the amendment, the UW's Department of Psychiatry and Behavioral Sciences continues to be responsible for collecting certain data related to the Partnership Access Line for Moms and the Psychiatric Consultation Line. The HCA and Seattle Children's Hospital are now responsible for collecting data related to other lines, as well as the FAST program.

The UW already collects most of the required information specified in the bill and therefore assumes no fiscal impacts for the purposes of this note.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*
