Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

SB5103 Sec 1(2) is amended to include: If a petitioner indicates in the petition an urgent need for the pardon or commutation including, but not limited to, a pending deportation order or deportation proceeding, the board shall consider expedited review of the application.

Sec 1(5) is amended to include: An applicant is eligible for a pardon, commutation, or restoration of civil rights without regard to his or her immigration status.

This bill changes the number of the section that pertains to the Office of the Governor. This change should not create a fiscal impact.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

1. The Attorney General's Office (AGO) Corrections Division (COR) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Department of Corrections (DOC) or the Clemency and Pardons Board (Board). The bill will require the Board to consider expediting the review of a petition for clemency if the petitioner indicates an urgent need for clemency, including to avoid deportation. The Board already expedites applications when the petitioner has an urgent need for clemency, and considers applications for clemency regardless of immigration status. New legal services are nominal, and costs are not included in this request.

2. The AGO Administration Division (ADM) has reviewed this bill and determined it will not increase or decrease the division's workload. Therefore, no costs are included in this request.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
