## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

1541 HB has no fiscal impact to the Washington Department of Veterans Affairs (WDVA).

The bill is administrative in nature and proposes amendments to RCW 43.60A.080, which governs the Veterans Affairs Advisory Committee in Washington State. These updates aim to enhance the structure and operations.

The bill removes language allowing a VAAC member to be appointed from the WA Soldiers Home in Orting and the WA Veterans Home in Port Orchard. Current law allows the Governor to appoint 2 Veterans in at large capacity if there are no Residents from the Homes available to serve, the law also requires that the VAAC assign Homes Liaisons to each of the 4 State Veterans Homes. This change is in line with current practice and does not change the total number of VAAC members appointed by the Governor

The bill also allows 2 of the 10 VSO positions to be appointed differently. If there is a Tribal Veteran or a National Guard Member / Veteran who applies for a VAAC position, the Governor may appoint them to 2 of the 10 VSO positions. If there are no applicants from Tribal Veterans or National Guard Members / Veterans, the Governor can continue to appoint 10 VSO positions. There is no change to the total number of VAAC members.
