## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

SB 5290 creates no fiscal impact for the Office of Public Defense.

SB 5290 would allow persons charged with certain drug possession offenses in courts of limited jurisdiction to seek dismissal of charges if conditions are met. Courts of limited jurisdiction are county district courts and city municipal courts. The conditions that need to be met are: 1) the person undergoes a certified substance use disorder or certified co-occurring mental health and substance use disorder assessment and 2) the person enrolls in and successfully completes a court-approved treatment program. Assessments and treatment programs are generally paid by the person charged, or paid by the local government that operates the court. Therefore, OPD anticipates no fiscal impact.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. ## **ALLOWING PERSONS COMPLETING TREATMENT TO SEEK DISMISSAL OF CERTAIN CONTROLLED SUBSTANCES RELATED CHARGES**

**101 – Caseload Forecast Council**

**January 23, 2025**

### **SUMMARY**

#### **A brief description of what the measure does that has fiscal impact.**

Section 1 Adds a new section to chapter 69.50 RCW that would allow a person charged in courts of limited jurisdiction with specified offenses to seek dismissal of such charges by either undergoing a certified substance use disorder or certified co-occurring mental health and substance use disorder assessment and successfully completing a court-approved treatment program.

### **EXPENDITURES**

#### **Assumptions.**

None.

#### **Impact on the Caseload Forecast Council.**

None

#### **Impact Summary**

This bill:

- Allows the dismissal of certain misdemeanor and gross misdemeanor offenses.

#### **Impacts on prison and jail beds.**

The Caseload Forecast Council (CFC) has no information concerning how many misdemeanor and gross misdemeanor offenses will be dismissed under the provisions of the bill. As such, the CFC cannot reliably predict bed impacts resulting from the bill. However:

A misdemeanor offense is punishable by a term of confinement of 0-90 days in jail and a gross misdemeanor 0-364 days in jail. Therefore, any reductions would be on jail beds only.

#### **Impacts on DOC supervision population.**

None.

#### **Impact on local detention and Juvenile Rehabilitation (JR) beds.**

No impact on juvenile adjudications as such charges would not be through a court of limited jurisdiction.

This bill outlines the conditions under which people charged with certain drug-related offenses in courts of limited jurisdiction can have those types of charges dismissed by meeting certain conditions.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The Department of Corrections (DOC) assumes this bill will have no fiscal impact.

This bill focuses on pre-conviction dismissals for certain drug-related charges, applies to individuals who have been charged with these offenses, but have not yet been sentenced. This bill sets out the conditions under which these charges can be dismissed in courts of limited jurisdiction. There is no direct impact to DOC operations. Therefore, this bill has no fiscal impact to DOC.
