Bill # 5222 S SB

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The substitute bill modifies an increase in exemption language in the notice landlords are to provide tenants concerning single-family owner-occupied residences where the owner rents out not more than 2 units or bedrooms. It also requires AG publish model lease language by 1/1/2026 and adjusts due date and expiration date for social vulnerability assessment.

This substitute retains Court impacts in original bill but adds no others.

II. B - Cash Receipts Impact

None

II. C - Expenditures

Total costs for this bill are estimated to be \$743,553.

ADMINISTRATIVE OFFICE OF THE COURTS

This bill would have minimal fiscal impact to the Administrative Office of the Courts.
The bill would require 50 hours of forms updates, as well as 6 hours to update the law table. This is estimated to be \$7,00 in FY 2026.

SUPERIOR COURT IMPACTS
Case filings may increase and the number is significant, anticipated to be 4,000 cases a year. This would have a total cost of \$4,361,750.
State annual cost = \$736,553 (50 percent of salary / 100 percent of benefits for judges' compensation)
Countie's annual cost = \$3,625,197

Part I – Residential Landlord-Tenant Act

Section 101: New section. Prohibits a landlord from increasing rent and fees for any type of tenancy during the first 12 months after the tenancy begins and during any 12-month period in an amount greater than seven percent, with exemptions. Allows a tenant to terminate the rental agreement, with notice, if the landlord increases rent and fees above the allowable amount based on an exemption. Provides that landlords in violation of this section are liable for damages and attorneys' fees. Allows a local government to adopt policies, ordinances, or other regulations to enforce the Act.

Section 102: New section. Contains exemptions from the prohibition on rent increases.

Section 103: New section. Specifies the form for rental increase notices that landlords must use.

Section 104: New section. Legislative findings.

Requires the Attorney General's Office (AGO) to publish model lease provisions regarding rent and fee increases that comply with the chapter. Requires the model lease provisions be published in at least ten languages. Requires the AGO to publish the first version of the model lease provisions by January 1, 2026, and periodically publish new versions as necessary to incorporate changes in law.

Part II – Manufactured/Mobile Home Landlord-Tenant Act

Section 201: New section. Prohibits a landlord from increasing rent and fees for any type of tenancy during the first 12 months after the tenancy begins and during any 12 month period in an amount greater than seven percent, with exemptions. Section 303: New section. Requires Commerce to contract with an independent third party to carry out a social vulnerability assessment of the impacts of the Act. Makes the assessment due to the Legislature by June 30, 2028.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

The Attorney General's Office (AGO) Consumer Protection Division (CPR) activities require General Fund-State. CPR enforces the Consumer Protection Act (CPA) against entities who violate RCW 19.86.020, which broadly prohibits unfair or deceptive acts or practices in trade or commerce. CPR's focus is on holding businesses and individuals accountable for conduct that misleads consumers.

The AGO's Policy Division (POL) activities are funded with General Fund-State. No cash receipt impact. There is no client agency to bill for legal services.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Attorney General's Office (AGO) Agency Assumptions:

This bill is assumed effective immediately.

Location of staffing is assumed to be in a King County office building.

Total workload impact in this request includes standard assumption costs for goods & services, travel, and capital outlays for all FTE identified.

Agency administration support FTE are included in the tables. The Management Analyst 5 FTE (MA) is used as a representative classification. An example ratio is for every 1.0 Assistant Attorney General FTE (AAG), the AGO includes 0.5 Paralegal 1 FTE (PL1) and 0.4 MA.

1. Assumptions for the AGO Consumer Protection Division (CPR) Legal Services:

CPR activities require General Fund-State. CPR enforces the Consumer Protection Act (CPA) against entities who violate RCW 19.86.020, which broadly prohibits unfair or deceptive acts or practices in trade or commerce. CPR's focus is on holding businesses and individuals accountable for conduct that misleads consumers.

CPR assumes an initial period of investigation and enforcement activity to monitor and encourage compliance, followed by a high degree of compliance with the bill. Specifically with respect to The Manufactured Mobile Home Landlord-Tenant Act (MHLTA) amendments, CPR assumes potential impacts to the program will be offset by an expected reduction in the number of complaints regarding rental increases in manufactured mobile home lots.

CPR Total workload hours:

FY 2026 and FY 2027: 360 hours for AAG, 360 hours for Senior Investigator Analyst (INV), and 180 hours for PL1

CPR: Total King County workload impact:

FY 2026 and FY 2027: \$94,000 for 0.2 AAG, 0.2 INV, and 0.1 PL1

2. Assumptions for the AGO Policy Division (POL) Legal Services:

The AGO will assign a 1.0 Policy Analyst FTE (PA) to do research, consultation for the model lease provisions regarding rent and fee increases, and complete and publish the final product. Hard copy version of the model lease will cost \$150,000. Language translation for the top ten spoken languages will cost \$20,000. The AGO will need to periodically update the model lease in response to changes in the law. This estimates that workload for updating will be 10 percent of the initial workload.

POL: Total workload hours:

FY 2026: 1,800 hours for PA

FY 2027 and in each FY thereafter: 180 hours for PA

POL: Total King County Workload impact:

FY 2026: \$361,000 for 1.0 PA which includes direct costs of \$170,000

FY 2027 and in each FY thereafter: \$36,000 for 0.1 PA which includes direct costs of \$17,000

3. The AGO Agriculture and Health Division (AHD) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Department of Commerce (Commerce). Nominal AAG hours of advice are anticipated in assisting the client in establishing the on-line landlord resources center under Section 105 and contracting under Section 303 for a social vulnerability assessment. New legal services are nominal, and costs are not included in this request.

Total AGO workload hours:

FY 2026: 360 hours for AAG, 360 hours for INV, 180 hours for PL1, and 1,800 hours for PA

FY 2027: 360 hours for AAG, 360 hours for INV, 180 hours for PL1, and 180 hours for PA

FY 2028 and in each FY thereafter: 180 hours for PA

Total AGO workload impact:

FY 2026: \$455,000 for 0.2 AAG, 0.2 INV, 0.1 PL1, and 1.0 PA which includes direct costs of \$170,000

FY 2027: \$130,000 for 0.2 AAG, 0.2 INV, 0.1 PL1, and 0.1 PA which includes direct costs of \$17,000

FY 2028 and in each FY thereafter: \$36,000 for 0.1 PA which includes direct costs of \$17,000

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

- The substitute version of SB 5222 makes the following changes relative to the original version:
- Changes the wording of one of the landlord exemptions under Section 103.
 - Fixes a date applicable to the Office of the Attorney General under Section 105(2)(d).
 - Changes the date of the assessment due to the legislature from December 1, 2027 to June 30, 2028.
 - Changes the expiration date of Section 303 from July 1, 2028 to July 1, 2029.

The changes in the substitute do not affect Commerce's original estimate of the costs of this bill.

Section 105 - Requires The Department of Commerce (Department) to establish an online landlord resource portal that hosts resources from two Department programs: the Landlord Mitigation Program (RCW 43.31.605) and the Low-Income Residential Weatherization Program (Chapter 70A.35). The portal would host additional resources from other agencies.

Designing, launching, and maintaining the landlord resource portal would have a fiscal impact.

Section 303 - Requires the Department to contract with a third-party to conduct a Social Vulnerability Impact assessment, measuring the following consequences of the bill: measuring impacts to existing tenancies, measuring impacts to the social vulnerability of immutable characteristic subpopulations and/or housing cost-burdened subpopulations, evaluating impacts on new or transitioning renters due to the bill's rent caps, assessing impacts on other rental markets such as short-term or vacation rentals, and evaluating impacts on state-owned or state-funded or state-run housing units.

Staffing and procurement for this project and contracting for third-party services would have a fiscal impact.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No cash receipts impact.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 105 - Requires the landlord resource portal be implemented. Analysis assumes that it will be hosted on the Department of Commerce's existing website within the existing page hierarchy.

Design and implementation of portal

FY26- 0.10 FTE Commerce Specialist 3
FY27- FY31 No impact

Maintenance of portal

FY26-FY31 No impact

Section 303 - Requires the Department to contract with a third-party for the Social Vulnerability Assessment. Requires submission of the assessment by June 30, 2028. Analysis assumes that no budget appropriations will be provided to cover the expense of the Social Vulnerability Assessment based on bill as written.

Estimated procurement cost based on bill's requirements

The Department is unsure whether the timeline for the study due date will allow for meaningful data analysis to determine the impacts of the bill. Variables include deliverables in the study and required consultant hours. For illustrative purposes, the Department identified a recent consultant contract with a comparable scope and timeframe and adjusted it based on inflationary factors. The best estimate is \$300,000 - \$350,000. However, the exact cost is indeterminate.

Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

CHANGES BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

- Modifies certain language in the notice form related to the exemption for single-family owner-occupied residences in which the owner-occupant rents or leases no more than two units or bedrooms.
- Corrects the date the Attorney General's Office is required to publish model lease provisions to January 1, 2026, instead of January 1, 2025.
- Extends the due date of the social vulnerability assessment from December 1, 2027, to June 30, 2028, and extends the expiration date for the assessment from July 1, 2028, to July 1, 2029.

SUMMARY OF CURRENT BILL:

This bill establishes rent stabilization policies in the state of Washington. These policies would limit rent, and fee increases to seven percent during any 12-month period and prohibits rent and fee increases during the first 12 months of a tenancy for tenants subject to the Residential Landlord-Tenant Act and the Manufactured/Mobile Home Landlord-Tenant Act with certain exemptions for public housing authorities, public development authorities, and certain nonprofit entities described in Sec. 102. A local government may adopt policies, ordinances, or other regulations to enforce the bill.

Sec. 301 contains an emergency clause which takes effect immediately.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

CHANGES IN EXPENDITURE IMPACTS BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

Changes do not alter the original impact analysis.

EXPENDITURE IMPACTS OF CURRENT BILL:

This legislation provides cities and counties an option to adopt policies, ordinances, or other regulations to enforce the legislation. Currently, there are five cities that regulate tenancies: Seattle, Auburn, Burien, Tacoma, and Olympia. These cities will need to review their codes to determine if they are in conflict with the legislation. The Local Government Fiscal Note Program's (LGFN) cost model estimates the average professional compensation at the local level to be \$72.33 per hour, including benefits and overhead. Costs to local governments would depend upon the staff time required for each affected local government to review their code. For illustrative purposes, the city of Olympia estimates city staff would need up to 5 hours for code review at a total cost of \$1,808.25 as follows:

$$\$72.33 \times 5 \text{ hours} \times 5 \text{ cities} = \$1,808.25$$

Additional staff costs would be required if the code needed to be amended as follows:

The typical cost to adopt an ordinance per jurisdiction ranges from \$675 for a simple ordinance to \$6,775 for a complex ordinance. These costs include costs for draft ordinances, advisory commission meeting and recommendation, finalized ordinance, publication of ordinance, and general public information. The LGFN program has determined this ordinance to be complex. However, since there is currently no requirement to adopt new ordinances under this legislation, these costs are speculative and indeterminate for those jurisdictions that do not currently regulate tenancies.

Note: These cost estimates are for only one meeting or staff report, more complex ordinances would likely require more meetings and potentially more staff reports. There would be further costs associated with enforcing or executing the ordinance. These costs are indeterminate.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

CHANGES IN REVENUE IMPACTS BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

Changes do not alter the original impact analysis.

REVENUE IMPACTS OF CURRENT BILL:

This legislation would not impact local government revenues.
